

## List of Contents

### *Session 1: Epidemiology*

Epidemiology Study of Dental Fluorosis in China <b>Y Si &amp; B Zhang</b> .....	9-20
Dental Fluorosis in Anuradhapura District, Sri Lanka <b>T M M H Tennakoon</b> .....	19-24
Relation of Dental Fluorosis to Ground Water Fluoride In South Africa <b>E J Neube &amp; C F Schutte</b> .....	23-32
Risk Factors of Dental Fluorosis in Thai Children <b>S Mongkolnchai-arunya, S Chanduaykij, P Pukrittayakamee, W Visalseth, &amp; P Suntornam</b> .....	33-38

### *Session 2: Methodology*

False-Indication of Non-Dental Fluorosis in Per See Physical Tests <b>E Dahi</b> .....	41-46
Credibility and Limitations of Fluoride Analysis Using the Pack Test <sup>®</sup> Kit <b>E Dahi, Y Matsui &amp; G Mkongo</b> .....	47-59
Field Use of the SPADNS Qualitative Technique by Beneficiaries <b>M Kongpun &amp; S Chamnanprai</b> .....	60-65
Means and Mode of Providing Information to People in their Fluorosis Prevention <b>J P Nasakolnakorn</b> .....	66-72

### ***Session 3: Defluoridation***

Domestic Defluoridation of Water Using Locally Produced Activated Alumina  
**N V Dzung, H H Phong, N N Long, N T Quang & P Waldemar ..... 75-80**

Domestic Defluoridation Using Brick Chips in Sri Lanka  
**J P Padmasiri..... 81-87**

### ***Session 4: Mitigation***

Southern Thailand Experience on Combating Fluorosis  
**B Sirisakulveroj & S Mongkolnchai-arunya ..... 91-97**

Mitigation of Fluorosis in Nalgonda District Villages  
**A S Narayana, A L Khandare & M V R S Krishnamurthi ..... 98-106**

Highlights of Forty Years of Research on Endemic Skeletal Fluorosis in India  
**S P S Teotia, M Teotia & K P Singh..... 107-125**

### ***Session 5: Strategies***

Strategy for Fluorosis Mitigation Program in India  
**A K Susheela..... 129-137**

Towards an Integrative Approach to Fluorosis Mitigation  
**S Rajchagool & C Rajchagool..... 138-144**
